

Zoo Wonder Naturally Benefits Many Animals

The success stories about what Pet Wonder and Zoo Wonder are doing for pets and animals come to us regularly. I truly believe in this product, and I know that it makes a difference in the lives of animals.

ZOO WONDER

Pet Wonder bulk powder is ideal for larger dogs, multi-pet families, kennels, horse owners, animal farms, and zoos.

Natural Animal Supplement for Arthritic Conditions, Preventative Joint Health, and Lack of Energy

Zoo Wonder is Part of Your Treatment Solutions

Do you have a larger pet, or multiple pets? Zoo Wonder is presently sold to dog-walkers, kennels, horse stables, animal farms, and zoos. Our products are ideal for animals in need of natural energy boost, natural relief and repair of injury, and rejuvenation of overall joint health.

Same effective and natural formulas as Pet Wonder
Wholesale Bulk Pricing Available

Prevention is the key and many larger breeds, mixed breeds, senior, overweight, or competing animals have a disposition for developing arthritic or hip dyspepsia, or other joint problems. We recommend not waiting until the pain and suffering is visible, but rather starting your pet on a preventative dose early.

Zoo Wonder has been in production for over 20 years.

Increased Comfort
Increased Mobility
Increased Energy

Visible Results in Energy Boost in 2 to 3 Weeks

Happy Healthy Pets Means Happy Pet Owners

Bella, our Tibetan Mastiff, was born with turned out front paws and an enlarged front paw. Now that she is on Zoo Wonder, her front legs no longer crackle when she gets up, and she doesn't limp as much when she starts her walk ... with two big dogs, Zoo Wonder is the best way to purchase this wonder product.

-Rebecca Robertson, Richmond, BC

I have multiple dogs and horses. I tried Zoo Wonder on all of them. What surprised me was that, only after a few weeks, I saw significant improvements in their energy levels, and increased mobility. I'm so glad I tried Zoo Wonder and would recommend it to all pet owners. The cost savings are terrific by buying this bulk container.

-Nina Coulter, Saskatchewan

Our elephant has been on Zoo Wonder for 9 years and we have seen an 80% improvement in its health. I would recommend this product to anyone who genuinely cares about their elephant. We also successfully used it on our elderly dogs, which are 12 and 18 years old.

-Mark Easley, Natural Bridge Zoo
